EDIBLE BRITISH COLUMBIA

A well-stocked, smartly sourced provisioner dedicated to B.C.'s best condiments, preserves, jellies, jams and sweets. Standouts include Mission Hill Oculus Cherries, Pat's "Foods That Hurt" Texas Gold Chili Oil, Maison Côté Balsamic Jelly and Vista D'Oro Green Heirloom Tomato and Garam Masala Jam. Squarely aimed at tourists, many of these items have strong local appeal, too; they make original hostess gifts or easy home-prep accents. *East Wall, Granville Island Public Market, 1689 Johnston St.; 604-662-3606.
